

**INDIANA ACADEMY OF OPHTHALMOLOGY, INC.**  
**ANNUAL MEETING & SCIENTIFIC SEMINAR REGISTRATION**  
**SEPTEMBER 14, 2018**

**INVITATION**

The Indiana Academy of Ophthalmology would like to invite you to join ophthalmologists from across the state to expand your knowledge base, enhance your profession, and develop your professional network. The 2018 Annual Meeting will offer you the opportunity to gain valuable knowledge in an environment that promotes professional networking with your peers. Challenge yourself to make a difference in your profession. Attend the IAO Annual Meeting to obtain the tools to do so!

**MEETING DIRECTOR**

Yara Catoira-Boyle, M.D., IAO President-Elect

**LOCATION**

The meeting will be held at the 502 East Event and Conference Center (502 E Carmel Dr, Carmel, IN).

**CME ACCREDITATION**

The Indiana Academy of Ophthalmology, Inc. is accredited by the Indiana State Medical Association (ISMA) to provide continuing medical education for physicians.

The Indiana Academy of Ophthalmology, Inc. designates this live activity for a maximum of 7.25 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

**JCAHPO ACCREDITATION**

The ophthalmic technician course has been submitted to JCAHPO for consideration CE credit.

**DISCLOSURE**

All faculty in CME/CEU activities sponsored by the Indiana Academy of Ophthalmology, Inc. (IAO) are expected to disclose to the program audience any real or apparent conflict of interest related to the content of their presentation.

**PAPER LITE**

IAO is working on ways to reduce the amount of paper we use at our conferences. This is an effort both to be responsible toward our environment and to increase the quality and timeliness of the resources provided through this learning experience. However, we do know that completely reducing paper altogether can make the learning experience harder for some, which is why this conference is paper lite rather than completely paper free. Electronic program materials will replace most paper resources and for those materials we receive in advance will be accessible online before, during, and after the program on the IAO website.

**PHYSICAL ASSISTANCE/DIETARY REQUIREMENTS**

Those attendees who need additional assistance should contact the IAO Office at 317-577-3062 so that appropriate arrangements can be made.

**PHYSICIAN COURSE DESCRIPTION**

This program has been developed from physician forums, member evaluations and comments in an effort to provide the latest information to IAO members on new diagnostic and surgical procedures in ophthalmology. This meeting of lectures and question and answer sessions will provide information concerning updates in ophthalmic treatments and surgery. In addition, changes in the regulatory and economic environments will be explored. Comprehensive ophthalmologists as well as subspecialists will benefit from attendance.

## **COURSE OBJECTIVES**

At the conclusion of this Symposium, the participants will be able to:

- Apply the latest information from clinical trials to patient care
- Develop guidelines for co-management
- Analyze the various differential diagnoses associated with dysphotopsias
- Understand the current methods to decrease the incidence of negative dysphotopsias
- Understand both the common and uncommon causes of blurry vision after cataract surgery
- Be able to differentiate between anterior and posterior segment etiologies of decreased vision
- Develop treatment plans for complications after cataract surgery.
- Understanding the basics of several Ocular Emergencies, including Traumatic, Infectious, Vascular, and Neurologic causes

## **QUESTIONS**

For additional questions, please contact Kim Williams at the IAO office at 317-577-3062.
